In case of legal person shareholders or of entities with no legal personality, the quality of legal representative is found based on the shareholders' list from the reference date, received from the Depozitarul Central. In case the shareholders' register at the reference date does not contain data regarding the quality of legal representative or they are not updated, this quality is proved with a confirmation of company details issued by the Trade Register, presented in original or in a certified true copy, or any other document, in original or in a certified true copy, issued by a competent authority from the state in which the shareholder is legally registered, attesting the quality of legal representative.

The documents certifying the quality of legal representative of the legal person shareholder shall be issued no more than 3 months before the publication date of the notice to attend of the general meeting of shareholders.

Shareholders who do not have legal competence, as well as legal persons can be represented by their legal representatives, who, in turn, may issue a power of attorney to other persons.

C.2. Representation based on a special power of attorney or on a general power of attorney (empowerment) at the E.G.M.S.

Shareholders can be represented in the E.G.M.S. by other persons based on a special power of attorney or on a general power of attorney (empowerment).

For this type of vote, the special power of attorney forms shall be used (in Romanian or in English language) in compliance with the provisions of the applicable legislation, which will be made available by the Board of Administrators of the Company or by a general power of attorney, drafted in compliance with the provisions of Art. 202 from the regulation No. 5/2018.

Legal person shareholders or entities with no legal personality attending the E.G.M.S. through another person than the legal representative, shall necessarily use a special or a general power of attorney, under the conditions specified above.

i. In case of natural person shareholders, special powers of attorney shall be accompanied by the copies of the identity documents of shareholders, who must allow

their identification in the company's shareholders' register held by the Depozitarul Central S.A.

If by empowerment, several alternate representatives are appointed, the order in which they will exercise their mandate will be established as well.

A person acting as the representative may represent several shareholders, the number of shareholders thus represented being unlimited. If a representative holds different empowerments conferred by several shareholders, he/she is entitled to vote for a shareholder differently as compared to the vote for another shareholder. The person representing several shareholders based on empowerments, expresses the votes of the represented persons by summing up the number of votes «for», «against» and «abstention» without compensating them (for example, in item x from the agenda, I am representing «a» votes «for», «b» votes «against» and «c» «abstention»). In the case of special empowerments, the votes thus expressed are valid based on copy 3 of the special empowerment.
